

MASTARE

OUTDOOR LIGHTING

ABOUT THE MASTARE

DESCRIPTION

The MASTARE is a powerful fixture that can deliver up to 134,400 lumens. Its aluminum housing and efficient cooling design allow for optimal performance in real-world conditions, making it ideal for sports stadiums, large parking lots or even warehouse exteriors. When you need maximum light output, the MASTARE is the product for you.

WARRANTY
5 YEARS

POWER SUPPLY

Very long life time.

RESISTANCE TO CATEGORY C3 ENVIRONMENTS

Highly durable.

100% POLYCARBONATE LENSES

UV and impact resistant, imported from Japan.

IP66

IK08

CHARACTERISTICS

IP66

Highly waterproof design, designed to withstand high-pressure water jets.

IMPACT RESISTANT FRAME

100% pur aluminium ADC 12.

POLYCARBONATE LENSES

100% UV and corrosion resistant, imported from Japan, high quality.

RESISTANCE TO CATEGORY C3 ENVIRONMENTS

Highly durable.

HIGH PROTECTION POWER SUPPLY

Resistant to voltage variations, vibrations and overvoltage.
